Our sales consultant, Bob, was very courteous and informative, he explained the procedure for the installation from start to finish, very professional. The installation guys did a good job, (did leave a little dust on the bathroom floor), but the installation was finished sooner than anticipated and that made us happy.

9/6/18 "Shower with Door, Sink and Toilet" Carol W, Tillson – Customer service was excellent, every time I called I was helped and everyone was very nice. The sales process was a bit rushed and there seemed to be no reductions available of any kind like senior discounts. It was more expensive than I would have liked, but it was done very nicely and I like it. Installation was excellent, very efficient and they keep everything neat and cleaned up.

9/1/18 "Shower-Toilet-Sink-Faucets" Anthony Calli, Wappingers Falls – All very good from the sales lady at the showroom, office person, Donna and installers Zack and

8/6/2013 "Full Bath" Danielle Macchia - "the guys did a great job. Very neat and organized even though my product took a lot longer than I expected, all and all it was good." 9/10

8/5/2013 "Wall System" Kevin Smith - on time as scheduled service with excellent results. They did miss a couple of small areas of caulking, but came and fixed that immediately at my convenience. All that great service plus a lifetime ownership guarantee makes the top of my list. And everyone that sees the results wants to know who I used, so that says a lot as well. 10/10
